

CALL FOR PAPERS

11th China-Korea Clean Energy Workshop

September 20 – 23, 2016

**SOUTHEAST UNIVERSITY
NANJING, CHINA**

ORGANIZED and HOSTED BY:

The Key Laboratory of Energy Thermal Conversion and Control of Ministry of Education, School of Energy and Environment, Southeast University

SUPPORTED BY:

The Department of Thermal Engineering, Tsinghua University

The Korea Institute of Energy Research

Announcement

Building on the success of the ten workshops between China and Korea, the Organizing Committee and Southeast University are pleased to announce that the 11th China-Korea Clean Energy Workshop will be held from September 20 to 23, 2016 in Nanjing, a beautiful, noted historic and cultural city of China.

Since the past two decades, the China-Korea Clean Energy Workshop had been successfully organized by Tsinghua University and Korea Institute of Energy Research (KIER) respectively and biyearly in two countries. It has been known as an important event for researchers in both Universities and Institutes as well as technicians coming from power plants to promote their academic exchanges and cooperations. The 11th workshop will provide an in-depth update of new and advanced technologies covering a wide areas from clean coal technology to multi-pollutant control. We would cordially invite delegates from the two countries to come together at this Workshop.

Specially, a forum on Ultra-Low Emission Technology of CFB Boiler will be parallel held and shared with this Workshop, organized by the National Electric Power Industry CFB Unit Technical Service Network.

Topics

- CCT (Clean Coal Technology)
- Low-Rank Coal Utilization
- Oxy-Fuel Combustion and Gasification
- CCUS (Carbon Capture Utilization and Storage)
- Co-Removal for Multi-Pollutant
- Control for PM2.5, Hg and Other Heavy Metals
- Advanced Waste to Energy Technology
- Renewable Energy Utilization Technology
- Ultra-Low Emission Technologies for CFB & PC boilers

Program

- Keynotes
- Oral Session
- Poster Session
- Technical Tour

Important Dates

- Apr 30, 2016:** Deadline for submission of abstract.
May 15, 2016: Notification of acceptance for the submitted abstract.
May 31, 2016: Deadline for submission of registration form.
Jul 15, 2016: Deadline for full paper submission for KJChE journal review. (Optional)

Registration

- CNY 1600** for attendees including the technical tour.
CNY 1100 for students regardless of the technical tour.
CNY 600 for accompanying person of the attendee including lunch and dinner.

1. The registration form will be via email to CleanEnergy2016@163.com.
